UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Doddson's Liver Tonic" Will Clean Your
Sluggish Liver Better Than Calomel
and Can Not Salfate.

Ocalmel makes you sick; you lose a day's work. Calomel is quicksilver and it salivates; calomel injures your liver. If you are bilious, feel lazy, sluggish and all knocked out, if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Doddson's Liver Tonic instead of using sickening, salivating calomel. Doddson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine; your liver will be working, your head aches and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful, full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Doddson's Liver Tonic under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Doddson's Liver Tonic because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Doddson's Liver Tonic to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist

EXCURSION TO JOHNSON CITY, TENN.

Wednesday, August 25th, 1915.

Via

PIEDMONT & NORTHERN RAILWAY

And

CAROLINA, CLINCHFIELD & OHIO RY.

Special Trains from Anderson and Greenwood, S. C. to connect with the "CLINCHFIELD" at Spartanburg, S. C.

All tickets sold, Wednesday, August 25th, with limit for returning on all trains leaving JOHNSON CITY before NOON SATURDAY, August 28th, 1915. Clinchfield trains returning arrive Spartanburg at 5:30 P. M., and make connection with the Piedmont & Northern train leaving Spartanburg at 6:25 P. M.

The following schedule and very low Excursion Fares will be used:

Leave Greenwood, S. C.	6:00 A. M.	\$3.50
Leave Hedges, S. C.	6:20 A. M.	3.50
Leave Shotts Junction, S. C.	6:30 A. M.	3.50
Leave Donalds, S. C.	6:45 A. M.	3.50
Leave House Path, S. C.	6:40 A. M.	3.50
Leave Anderson, S. C.	6:30 A. M.	3.50

ROY HAND BURNED IN WILLIAMSTON FIRE

OTHER OCCUPANTS OF THE
HOUSE BARELY ESCAPED
DEATH

3 HOUSES BURNED

Edith Hand, Aged 13, Was Heroine and Saved Lives of Four of Her Little Sisters.

A fire in Williamston early yesterday morning burned Roy Hand, aged 12 years to death, and destroyed three buildings, causing a pecuniary loss of about \$7,000. The origin of the fire is unknown.

The homes were located on Main street just across the creek from the spring, the first house being the property of Mr. T. M. Jenkins, of Pelzer and occupied by Mr. J. M. Hand; the other two were the property of Mr. J. A. Wallace, he occupying one and the other known as the "Bon Air Hotel," occupied by Mr. John McAllister.

Mr. Hand stated yesterday to an Intelligencer reporter that he did not know how the fire originated. He was awakened about 1:30 by screams coming from his little 13 year old daughter who was in a room upstairs. He rushed out in the hall and found that nearly all of the interior was in a blaze. He then ran into his wife's room just across just as she was awakening. She grabbed up her little son, J. M., Jr., and rushed out of the building about the same time that Mr. Hand did.

Little Girl Heroine.
Mr. Hand stated that just as he got outside of the burning building he looked up and saw his eldest daughter, Edith, standing on the porch above with two of the other little children, Grace aged 10, and Edna Mae, aged 8 years. She was telling them to jump and just as the father appeared she moved them off. Mr. Hand catching them in his arms. The little girl then rushed back into the room where another little sister, aged 6 years was also sleeping. She grabbed her and brought her to the porch and let her drop into Mr. Hand's arms. All of these little girls were sleeping in the same room and after Edith had rescued them she yelled, "I am going back and get brother."

Roy Hand, her brother was sleeping in a room across the hall from his sisters. Edith then turned back into the room with the intention of saving her brother but when she opened the door, the flames burst through and she had to turn back, but only after she had been severely burned about the neck and back. The little girl then ran back to the porch and jumped to her father.

Another Narrow Escape.
About this time, Mr. Hand stated, his wife thought of the baby, little Reba, 13 months old, who had been asleep in the room with her father. Mr. and Mrs. Hand then rushed into the house, which was now beginning to fall in and rescued the little child, just as the flames enveloped the entire room.

At no time was it possible to get to the little boy that was burned to death. When Mr. Hand rushed out of his room the stairs leading to the second story were burning from bottom to top and it was impossible to get to the second story. By the time the little girls on the second story had been rescued, the room in which he was asleep had fallen in.

Body Recovered.
About 3 o'clock in the morning a bucket brigade was formed which endeavored to extinguish the fire where it was thought the boy's body would be found and after about an hour, the charred remains were found. The flesh was all burned off his bones except on his right leg and on the right side of his face. This led to the belief that he was sleeping on his right side and was never aroused. It is thought he was overcome by the smoke, never gaining consciousness. The remains were wrapped in a sheet and after being placed in a casket were taken to the First Baptist church where funeral services were held at 11:30, conducted by Dr. B. W. Alexander, pastor. Interment was made in the Williamston cemetery.

Buildings Burned.
The house occupied by Mr. Hand was about a seven room dwelling and was the first to the west. The building was valued at about \$2,500, and was insured for approximately \$2,000. There was no insurance on Mr. Hand's furniture.

The second house below was the next to burn. It was occupied by Mr. J. A. Wallace, owner, who was an 11 room building, known as the Bon Air Hotel. It had been rented by Mr. John McAllister who was conducting the place. This building was valued at about \$4,000 and was partially covered by insurance. Most of the furniture was said to have been saved.

Mr. Hand runs a grocery store in Williamston and having no safe, he always took his account books home with him. These were burned, meaning probably a loss of several hundred dollars.

Called on Anderson.
The Anderson fire department was called upon to go to Williamston to help fight the fire. After explaining that no assistance could be rendered

MADE RECORD LAYING CONCRETE YESTERDAY

100 MORE LINEAR FEET PUT
DOWN BY STREET CAR
FORCES

IS WELL PLEASED

Engineer Horton Tells The Intelligencer That Work is Improving Daily.

Yesterday was the biggest and best day yet with the street car track paving forces, 100 more feet having been paved than on any previous day. Everything is working in the best of condition and from now on 300 linear feet of concrete will probably be laid every day.

"Today was the biggest day we have had yet," stated Engineer E. R. Horton, Jr., last night. "Mr. Johnson's concrete gang laid nearly 100 more feet of paving than on any previous day and we expect to gain steadily, making a little more each week than the past."

"Our steel crew," continued Mr. Horton, "also attained new records, having on Monday and Tuesday built about twice as much track as in an equal time heretofore. Mr. Bowen, in charge, daintily learns new wrinkles to speed up and is proud to show his heels to the concrete boys. The work of unloading material, removing old track, and excavating is under the direct charge of Mr. W. C. Devane of Greenville. He is kept very busy to keep ahead but has no intention of being caught. Mr. Devane has had years of street railway experience and he finds his work here very interesting."

"This is the most pleasant job I have ever been on," stated Mr. Horton. "The spirit of our entire construction force is excellent. Mr. Orr and the entire operating department are giving us unusually cordial co-operation and Tom Hill is showing himself a good construction man by helping us in various ways."

"Finally," stated Mr. Horton, "the public is showing splendid patience with us and we won't abuse it. Mr. Johnson has proven to be about the most pleasant contractor to do business with I have ever met. He is doing fine work, making good progress and doing better every day."

MEETING COMMISSION THIS AFTERNOON AT 4

Will Accept West Market Street
Paving and Matters Concerning
Car Track Work.

Chairman Horton has called a meeting of the street paving commission for 4 o'clock Thursday afternoon. One of the objects of the meeting being to inspect the West Market street paving job. According to the contract with the Southern Paving Construction company so many days is allowed in which the commission is to inspect and accept or reject any finished paved street. Until the commission officially accepts the street the contract provides that the treasurer shall withhold 20 per cent of the cost of the contract. There are yet several days in which the commission has to make the inspection, but the commissioners feel that in as much as the contractors have given the city a splendid job, and in order that the job can be included in the estimate for the month of August, which will be prepared on Friday, payable by the treasurer on next Wednesday, that the inspection should be made now.

The commission will also discuss the progress being made on the several streets, and will determine whether the street car paving crew will be directed to commence work on the track on North Main street after finishing the South Main street job, or whether the crew shall go to work on River street. Mr. Orr of the Southern Public Utilities company stated today that the track paving on South Main street will be completed by the end of next week, and that they will be ready to start on another street.

HAD BOTH ARMS BROKEN

Little William Banks, Jr., Has Accident in Columbia.

The many friends of Mr. and Mrs. William Banks, formerly of this city but now of Columbia, will be interested in the following from The State:

While climbing a tree near his home yesterday noon, William Banks, Jr., the 7-year-old son of William Banks, editor of The Record, fell and had both arms broken. The accident occurred across the street from his home. The plucky little fellow walked home without making a whimper over his predicament. There were no internal injuries. The bones were reset by Dr. T. M. DeLoose, Jr., and the boy was resting easily last night.

unless the town had water works, Chief Jackson telephoned that it would be useless to go.

A stream of water would probably saved both of the tower houses. The second house caught on the roof and could have been put out with a stream of water in time. A board fence between Mr. Hand's house and Mr. Wallace's was not burned which goes to prove that the other houses could have been saved.

GRAND OPERA ARTIST BOOKED FOR COLLEGE

WILL BE AN ATTRACTION
IN THE LYCEUM
COURSE

IS RARE TREAT

Madame Scotney and Harold White, Both of Wide Reputation Will Sing.

The Anderson college has engaged for their 1915-16 course six attractions that are among the very best that the country affords. Every number is one that no intelligent person can afford to miss.

The music lovers of Anderson have a rare treat in store in the recital that will be given in the course by Madame Scotney and Harold White, stars of the Boston grand opera company.

A few years ago Madame Melba attended a concert in Melbourne, Australia. A beautiful young girl sang two numbers. Madame Melba was charmed with the girl's voice and personality that she sought an introduction and offered to undertake Evelyn Scotney's education. Madame Melba took her protegee to Europe. She not only taught her herself but gave the girl the advantage of the best teachers of Europe.

After completing her musical studies Madame Scotney filled engagements with the principal European grand opera companies. Then the management of the Boston grand opera company secured her services. Her Boston debut was a tremendous success. From then until the company's disbandment last season, on account of hard times, Madame Scotney was one of the most prominent and popular stars of that brilliant organization.

Yielding to the demand from the music lovers throughout the land Madame Scotney has made extensive concert tours. During the seasons of 1912-14 and 1914-15 she filled each season a week engagement in the north under the Alhambra Lyceum system. In these seasons she appeared upon the biggest courses of the south. Twice she has been on the big Atlanta course. She has delighted the course patrons of Greenville, Spartanburg, Charlotte and other series of the same grade.

Madame Scotney has a voice of beautiful quality, extraordinary range and under perfect control. In fact she ranks with the foremost young singers in the grand opera world. Not only is Evelyn Scotney a great soprano but she is a very handsome woman with a charming manner and a personality that completely captivates every audience.

Howard White, the baritone, who is to appear with Madame Scotney, is one of the few native American men who have won a high place both in America and Europe. Besides having a magnificent voice Mr. White is a cellist of first rank.

The other member of the company is a pianist of worth and reputation. In private life Evelyn Scotney is Mrs. Howard White.

It is doubtful if there has ever appeared in Anderson an artist the equal of Madame Scotney, certainly never her superior.

The Scotney-White recital is alone worth the price of the college course season ticket.

This superb musical treat and the five other excellent numbers can only be brought here by our people now subscribing to sufficient season tickets to guarantee the cost of the course to the college.

College Association.

The ladies of the college association interested in making the lyceum course a success are requested to meet at eleven o'clock this morning at the library. It is important that there be a large attendance.

RECEIVES FINE FOR NONPAYMENT OF TAX

Walter Sutherland Was Tried Before
Magistrate Pencil in
Court House Yesterday.

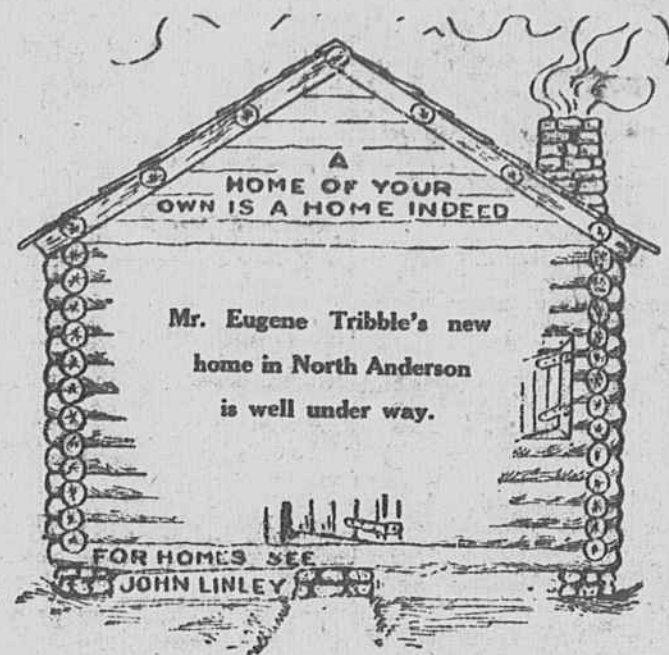

Walter Sutherland was yesterday fined \$10 by Magistrate J. R. Pencil of Marvin township, action having been brought against him for being a delinquent taxpayer. The case was heard in the court room of the county court house and many interested people attended.

It seems that some time ago there was a tax execution against Mr. Sutherland for non-payment of his poll tax, the same being \$5.00. Later he began making a fuss about it, it is said, and the \$5 were returned to him.

A warrant was then sworn out against him for non-payment of his poll tax, this being a criminal charge, with the result of the trial yesterday.

Rev. and Mrs. J. T. Mann.

Rev. and Mrs. J. T. Mann left Thursday of this week for Marion county to assist Rev. S. T. Greenham in several revival meetings. They expect to work in the Pee Dee association for several weeks.

Mr. Tribble's home will be a very attractive eight room dwelling, and as a part of it is to be used for the North Anderson school every effort will be made to complete it as soon as possible.

You should see how "citified" North Avenue is beginning to look,—with six fine homes all in a row.

3-IN-ONE OIL COMPANY
CLEANS, POLISHES EVERYTHING
PREVENTS RUST EVERYWHERE

3-in-One has been for 15 years the Old Reliable, largest-selling home and office oil. It is light enough to oil a watch; heavy enough to oil a lawn mower. On a wet cloth it becomes an ideal furniture polish. Makes a yard of clothes cloth the best and cheapest. And 3-in-One absolutely prevents rust on all metal surfaces, indoors and out, in any climate.

Free 3-in-One. Write today for a free sample and the Dictionary of uses—both free to you. 3-in-One is sold everywhere in 4 size bottles 1 lb. (1 qt.), 2 lb. (2 qts.), 5 lb. (5 qts.), 14 lb. (3 1/2 gals.). Also in patented Handy Oil Can, 30 Cents.

Will be pleased to cash one thousand notes running from \$25 to \$100 each that will be paid during the month of October and the first half of November.

We want them paid at maturity. We are particular about that.

We want them well endorsed. We are particular about that too. We want to see what kind of company you keep. A man naturally asks his associates to endorse his notes—Birds of a feather flock together.

If you can make up your mind to pay your note during the month of October or the first half of November, regardless, come to see us.

J. I. BROWNLEE,
Cashier.
